SHERWOOD FOREST SCHOOL SITE DEVELOPMENT

The City will be issuing a Tender for the sale and development of the north part of the site for housing as per the rezoning exercise the community participated in back in 2014. More information will be posted on our Ratepayers Web site as it becomes available.

MEDWAY VALLEY HERITAGE FOREST ENVIRONMENTALLY SIGNIFICANT AREA UPDATE

Phase 2 of the Conservation Master Plan has now started. There is also an open house being held by the city at the Museum of Archeology on June 1st starting at 5:30 pm to provide an update on the process. We are concerned that the City is still looking at a new Creek crossing for bikes, pedestrians and city maintenance equipment. For more information, go to: <http://www.london.ca/residents/Environment/Natural-Environments/Pages/Conservation-Plans.aspx>

SARNIA AND WESTERN ROAD INTERSECTION

The City is awaiting input from Western University before holding the second public meeting regarding changes to the area to improve traffic movements at this intersection. It will be the fall before this public meeting is held. It is tied to the Bus Rapid Transit (BRT) plans.
